Judge Rules That Apple Made Android Look Too Good in a Trademark Case - mattmaroon ===== msie Why does every Apple case need a headline like this? ~~~ sp332 Because they're sensationalist/click-baity and Apple vs. Android would never have made it this far if the headline weren't something people would think is interesting. Send this page to someone via email U.S. President Donald Trump has signed a bill into law mandating an export ban on the toxic chemical responsible for suicides and deadly overdoses, due to safety concerns about the widespread contamination of American drinking water. The ban is to apply to perfluorooctanoic acid, or P 6d1f23a050
