### **Fable 3 1.1.1.3 Patch Download**

## **Download**

If SOMEONE has dlc and patches, please post download links for everyone, as some of them are broken and missing, especially patch 1.1.1.3, someone then please be... I can't install all of this because I don't want my friends to see them (and steal my stuff This was my solution to the problem. I had problems loading my dlc and updating my character to version 1 of the game. I had problems because I was not able to find information on how to solve them. I found the answer on this site as well as my forum and the IMG website. After reinstalling the game using the IMGTool program, all d3d9.dll were restored and replaced by d3d9\_dll.
